## POETRY

From the N. Y. Kvening Post, SONG OF THE STREET

BY WALL STREET. Bushing round the curners,

Chas agreed field.
Plunging int sake Nothing there to lond Picously burging
Of every an you meet,
Be ame, this top wave to
"Shingia "on the street.

Merchants ory short.
For aing no hand note,
Waste copa gor gP to g for school; D view a in stoces.
But a - h we can be.
Ford note a rare
T cy a - re " anny froc."

shed I willingles me UK Got such in diel ku cha. The city the count of the Could not a we that at a kut Many follow the tog. Now begin in feel they've been over-Hearing.

Hi by speculators.
Tumbil ng at h the shock,
Nor read stopping
Mor than any clock:
suit they give ing distarts
Smake and rink and sup,
Guing all the b ther
Nor a winding up.

Ranking Institutions,
Companies of "Gene,"
With other people's money,
Good on a cast,
ito a a of 1 ng standing
Country gin a night—
With so as man "smashes"
No mander company's these No wondermoney's tight.

Gentlemen of moune-Raring lots to spend-Sare : litt sympathy, N a log bave olend: W.i ing to pay for lo-Nothi g new but teoutile

Helf ourm not bus ness Wanting an extending, white marks all the others Contemplate in penel of Many of them though, a. top ertidentit, ser much to their crudit.

Brokers all rob oaking. Craft all scracked, Want all extending As the mass contract, Bore will th trouble en'.
Whole all names want to berrow, And nobody out I nd?

aning round the corners, A-k ug at the flance -Mosey & tting fighter. Bles mal this is p'envent, Sainaing" for d the street.

A correspondent of the Baltimore (Md.) Patriot furnishes the fol- friend. lowing account of a frightful trage-

ried a Miss Jenkins, in Ware County. Ga., and a rejected suitor of the lady named Harley, had vowed vengeance against both. On the 16th ult. Har- covered every plain feature like a vell found in doing good. The origin of ley went to Adams' house, and, finding nobody there but an old negro Next morning Adams went to seek suggested by the occasion, or coming Your own words carry with them an Harley, and shot him in thearm, when an exquisite perception of things true are really beautiful." ed with a knife. Harley then shoul- and beautiful she had! Her thought After this brief conversation I nodered the corpse and carried it to Mrs. Adams, who instantly fell in aswoon,

Two persons contending very ing up the sculptors ideal, thought and there searcely recognized each sharply on matters regarding a late cleation, got to rather high words of the sixth anniversary of the length from five fathous water in late cleation, got to rather high words of the length from five fathous water in late cleation, got to rather high words of the late of the la when one of them said. "You never seled marble; but, it was the glimps of that she was standing in a group of eatch a lie coming out of my mouth." the soul, less benetiful than its invest indies as Lentered the room. One of The other replied "You may well say ture, caught now and then thought these was Nency Lee, who a bride, that, for they fly out so fast that no- revealing expressions, that was for- and in all her bridge extractions body can catch em.
